## Barstow Collection, the "Roland Sands" (2019).

New for 2019 is a collab with Roland Sands Design. RSD is led by custom bike builder and rider, Roland Sands. Built with roots in racing, custom bike building and design... his work blends the love of two wheels with the desire to create unique products. Living the two wheeled life is a common bond between our brands and we're excited to bring this new goggle to life with Roland Sands.

DEATH  
SPRAY  
CUSTOM

## Barstow Collection, the "Death Spray Custom" (2019).

World-renowned British artist, Death Spray Custom applies his latest work to the Barstow goggle - his second collab with 100%. Recently included in the list of "10 of the best artists working today" by GQ Magazine, Death Spray Custom aka David Gwyther, is known for his "humorous yet brilliantly sharp artwork". He's also know for designing Ken Block's livery for his rally and gymkhana cars.

*Deus*

## Barstow Collection, the "Deus Ex Machina" (2019).

The partnership with DEUS rounds out the collection. This is the third goggle formed through our shared experiences in motorcycling, design, and fashion while exploring the culture, creativity, and special sauce that make both 100% and Deus Ex Machina tick.
