- UTILIZES MULTIPLE BEAMS - CREATING A POWERFUL 1750 LUMENS
- LIGHTWEIGHT
- PIVOT HEAD PROVIDES ENDLESS VERSATILITY
- INCLUDES AN EASY-TO-USE SNAP-IN CHARGER

LL = Limited Lifetime Warranty 1Y = 1-Year Limited Warranty Check nightstick.com for updates.

Bayco are proud to offer a high quality product at the industries most competitive pricing!

**FIRE SAFETY LIGHTING**

## PERFORMANCE, QUALITY AND VALUE

**CHAMPION PERFORMANCE** | Nightstick products are built not only with lumen ratings that exceed most competitor products, but also with optimized performance characteristics such as; candela, beam distance and run-times. Throughout the design process we take into consideration all of these factors for the best efficiency and performance. Our products are also designed and manufactured using the best quality housing materials, precision engineered reflectors, real-world switch functionality, state-of-the-art electronics and the latest generation battery technology. Innovations like our exclusive Dual-Light™ design, combining a flashlight and a floodlight into a single light with the ability to turn both on simultaneously, is altering the idea of what a flashlight is capable of. Innovative thinking is reflected across the complete line of products.

**COMMITMENT TO QUALITY** | All products produced at our dedicated ISO 9001 Certified Factories undergo rigorous quality control inspections conducted by independent 3rd party inspectors at multiple points during the manufacturing process. Additional quality control inspections take place as products arrive and leave the distribution facility. Each product is backed with a warranty and a 100% customer service satisfaction experience.

**EXCEPTIONAL VALUE** | All of our products are designed to out perform with a higher quality standard than any other product in its class. Even with the highest quality standards, the Nightstick line costs less compared to competitors. We remain committed to delivering the industry's best performing and highest quality products at the lowest cost possible.
