EXCEEDING EXPECTATIONS IN EVERYTHING WE DO

EXCEEDING CUSTOMER EXPECTATIONS IN EVERYTHING WE DO

Since our humble beginnings in 1953, when we pioneered advances in headlight aiming technology, Hopkins has grown and expanded over the years. The changes in the past several years have been significant. But one focus remains constant ... exceeding customer expectations in everything we do.

As we enter our seventh decade, Hopkins has grown into a sophisticated partner to our retail customers. We are one company, with multiple product categories, multiple consumer brands, and multiple operating locations. To better reflect our true capabilities, our location in Blenheim, Ontario has been named Hopkins Canada. It will remain the home of the Mallory® winter and squeegee brands. But over the course of 2014, we will begin making additional consumer product lines and brands available to better serve Canadian customers from this location. By mid-2014, a separate electronic catalog will be available to Canadian customers that includes the SKUs available from Blenheim.

We believe our growing array of consumer brands and products can help make your life as a buyer simpler and easier. Each of our brands follow a consistent

philosophy, including: leveraging consumer insights to drive product innovation, utilizing our breadth of channel experience to optimize planogram assortments, driving comparable store growth through our step-up products, and delivering end-user value through efficient manufacturing/sourcing strategies. This value creation strategy has helped our retail partners consistently out-pace the growth of the overall market.

Another important facet of this strategy is that every customer has just one primary contact person at Hopkins, from our team of sales professionals, who can facilitate the resources of Hopkins to bear on your business. Of course, our marketing teams are focused around product categories, where you can find the industry's greatest expertise in understanding the consumer and driving innovation through our brands and products.

Below find a chart to organize where our brands are distributed. Please make sure to consult your Hopkins Sales Manager as certain locations do not stock every SKU.

One Company. Multiple Categories. Multiple Brands. Multiple Locations.

Hopkins® has become the cleaning solutions leader through our understanding and insight into core consumer needs.

The guiding development principle is centered on innovation, bringing over 30 years of cleaning solutions to the marketplace.

We deliver on this promise by understanding the consumer’s need for innovation, design, functionality and quality. This understanding is partnered with an emphasis and commitment to quality assurance.

Our long-term success has marked us as the industry leader in the vehicle cleaning solutions category. These core ideas have laid the foundation for our growth and we are continually adding to this extensive list of innovations.

We are changing the way cleaning tools are used by understanding the consumers need for innovation, design, functionality & quality, while creating breakthrough ideas to build value for every one of our customers.

Branding Strategies That Maximize Your Planogram Potential

- AutoSpa™ is the premium accessory market leader
- Complements all premium chemicals, and brings innovations that elevate the cleaning experience

- Carrand™ is the everyday vehicle cleaning leader
- Most complete product range, offering solutions across every category segment

- The most trusted name in glass care
- Innovative specialty solutions that create new everyday and incremental opportunities

- Mallory developed the market leading position in the automotive window squeegee category where we have the #1 position in North America
- Mallory’s innovative automotive squeegee range gives us the widest assortment of glass care tools available to service all of your shoppers needs

AUTOSPA™

LUXURY CAR CARE

Made for automotive enthusiasts who want nothing but the best when caring for their vehicles, AutoSpa Luxury Car Care Accessories prolong that “fresh from the show room” feel through superior design, quality, and value.

Through the years automotive materials and finishes have changed. Consumers are increasingly aware and wary of what they apply to their vehicles and how they take care of them.

AutoSpa Luxury Microfiber MAX materials take car washing to a whole new level of finish. Industry firsts include Luxury coral fleece, premium polyester mesh, and no-snag satin edging to deliver a premium look from the shelf and superior performance for the end user.

Whatever your car care task - washing, drying, polishing, or detailing - nothing says you're in good hands like AutoSpa.

GO SMARTER

Innovating Life On-The-Go

GoGear® delivers functional solutions that consumers need, from protection against the elements to organizing their mobile life.

Superior Product Performance

Durable, high quality materials and rugged design mean GoGear products provide better performance, fit and organization.

Excellent Value

Built to rigorous standards, GoGear may cost a little more but you are investing in more satisfied customers.

One Size Doesn't Work for All ...

49% of Your Floor Mat Shoppers Agree

Your Market Basket is Leaking

- Universal “Car” mats leak sales to lower and middle price points
- Truck, SUV & Crossover sales are being lost to the direct-to-consumer channel for fit and protection

Create a Truck, SUV & Crossover Shopper Destination

- GoGear® Floor Mats address the three main concerns of these shoppers: Fit, Protection and Security

Achieve a Win/Win

- Capture higher growth
- Plug leaks to lower price points
- Gain more satisfied shoppers
- Grow sales and increase profits

NEW

FULL-SIZE & MID-SIZE

HEAVY-DUTY TRUCK/SUV/CROSSOVER FLOOR MATS

Green hook screams
"I'm different!"

BETTER SHOPABILITY

Packaging speaks to the top priorities of Truck/SUV/Crossover Owners:

BETTER FIT

- Vehicle makes/models listed on packaging guide the consumer to the correct size, for a confident fit
- Achieve an Exact Fit using easy trim guides
- Red packaging is for full-size vehicles, blue is for mid-size

MORE PROTECTION

Packaging shouts interior protection:

- Heavy-Duty
- Ultimate Protection
- Tougher Mats For Tougher Demands

ADDED SECURITY

Multi-Point Locking™ reassures shoppers that the mat will hold securely and stay in place, for superior protection and safety

NEW HEAVY-DUTY TRUCK/SUV/CROSSOVER FLOOR MATS

49% of today's consumers drive Trucks, SUVs or Crossover vehicles. "One-size-fits-all" car mats designed in the 1970s fail to provide the heavy-duty durability, fit, and interior protection demanded by today's consumers.

GoGear® floor mats are engineered for Truck, SUV, and Crossover interiors, meeting tough demands for interior protection.

Available in 3 Colors

Black, Beige and Gray

ANATOMY OF SUPERIOR INTERIOR PROTECTION

1

Easy-Trim Guides

Provides a superior fit when compared to other retail products on the market

2

Double-Layer Heel Guard

provides up to 57% more protection where mats endure the most wear

3

Elevated Footrail

Protects your carpet better from debris

ULTIMATE PROTECTION™

Tougher Mats for Tougher Demands™

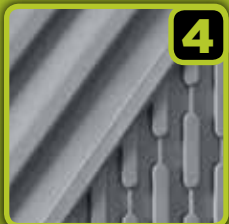

Rear Flex Mat™

Lets consumers choose the option that provides the best interior protection for their vehicle

Separate rear twin mats or full-across runner

4

Deep Channel Basin

Holds up to 47% more snow, ice, mud and debris than similarly priced floor mats

5

Premium Lockdown

Up to 3X the holding power of the competition, for a safer mat

Spike-style anchors at the top keep your mat from rolling back onto pedals

Cleat-style anchors filling out the rest of the mat prevent forward sliding

A premium **hook & loop** feature built into every GoGear driver side mat for added safety

RELENTLESS INNOVATION...

Ice Chippers

The addition of aggressive ice chippers to many blades assist in removing tough ice when using the corner. These more robust chippers help prevent blade breakage.

Curved Power Pole™

The Curved Power Pole™ solves the consumer problem of clearing ice while reaching across the windshield. This innovation gives consumers the proper angle of attack to remove ice at a distance.

SEE A BETTER ROAD AHEAD

Boost early season sales while also supporting breast cancer awareness. SubZero and Mallory have teamed up to support the National Breast Cancer

Foundation, Inc. ® (NBCF) by offering seven different pink items to help support the NBCF. A portion of all sales will be donated to NBCF in support of their mission; to save lives through increasing breast cancer awareness through education, provide diagnostic breast cancer care services for those in need, and provide nurturing support services.

#1 IN FLUID MANAGEMENT

UNMATCHED RANGE OF PRODUCTS

Only FloTool® provides all of the tools to make the DIY oil change process easy ... from heavy duty ramps, to filter and drain plug wrenches, to oil drains, to funnels. And only FloTool can tailor your planogram with innovative step-up solutions that make vehicle maintenance easier for DIY'ers ... keeping your consumers satisfied and coming back for more!

INTEGRATED SHIPPING

All Miami, Oklahoma manufactured products are available from our Emporia, Kansas distribution center, giving you the opportunity to combine these items with all of our product lines shipped from Emporia.

For high volume customers, direct shipping of products manufactured in our Oklahoma location will provide the lowest cost for vehicle ramps and drain containers.

ALWAYS THE RIGHT BRAND

There is an intense battle for brand loyalty for oil, oil filters and antifreeze. FloTool is always compatible, regardless of your consumer's brand allegiance. Never lose a sale by having the wrong brand ... FloTool is always the right choice.

A new and improved structural design combined with super strong material makes the RhinoRamps® as strong as any other ramps on the market, resin or metal.

Nestability

The unique, nestable design not only saves space in the consumer's garage, but more pieces on a pallet means saving space in the warehouse, on the truck and on the retail shelf.

Better by Design

Our integrated Core-Trac™ non-skid feet reduce sliding during use while an improved tread pattern and wide design make these the most secure ramps on the market. The ramp design also works for low profile vehicles ... a feature many other ramps don't have!

LIFT YOUR SALES AND YOUR CUSTOMERS' SATISFACTION

EasyLift Rider Ramps™ make mower maintenance easy. Their curved design allows the consumer to roll up onto the ramps rather than lifting the mower up onto blocks. Equipped with skid resistant rubber feet and molded in teeth for use on concrete or in the yard. A structurally sound, stackable design allow these ramps to hold up to 500 pounds and also take up less space on the retail shelf. Increase sales by placing a floor display next to your riding mowers.

TAKE THE SLIP OUT OF OIL CHANGES

The GRIPTECH™ family of wrenches uses a non-slip grip that is superior to traditional oil change tools.

This innovative grip allows the wrench to firmly grab the oil filter and remove it easily, quickly and without scrapes and bruises. Making the oil change easier can increase demand for DIY oil changes. That's exactly what GRIPTECH delivers.

OIL CHANGE TOOLS

Want to have the assurance that you are offering your customers the right tools for the job? Check out Hopkins' complete line of high quality oil change tools that can be appreciated by any DIYer.

Provide them with an innovative 8-in-1 Universal Drain Plug Wrench that fits virtually all vehicles. Allow your consumers to get to and remove even the trickiest of oil filters by providing them with a mixture of any of our 9 GRIPTECH and 12 standard high quality oil filter wrenches.

DRAIN FLUIDS WITH EASE

Simple Drain

Low cost drain pans are the most versatile drain because they will work for all types of vehicles. They are great for catching the fluid, but then must be transferred to a container to be taken to the recycling center.

Drain And Contain

Step consumers up from a basic drain pan to a higher quality, higher retail drain container. Containers not only capture the fluid, but double as a transportation device to the recycling center.

Super-Duty Series

The giant 58 Quart and 24 Quart Drain are specifically designed for larger vehicles and farm equipment that go beyond typical drain containers. Built FloTool tough and guaranteed not to leak! Ideal for a serious DIY or farm/ag customer.

FUNNELING HIGHER PROFITS

High Performance

The ultimate funnel incorporates best in class features AND helps the consumer get the job done quickly and easily. Our high performance funnels include no-mess splash guards, easy grip hand holds, speed channels and wide spout openings for high velocity pouring. Simply put, these funnels set the standard for fluid handling performance.

Task-Specific

FloTool has been the leader in developing high margin funnels that are specific to certain tasks, making fluid handling easier for the consumer. These include measuring and mixing, gasoline control, transmission fluid and more. Task specific products generate higher sales for you and higher satisfaction for the consumer.

Multi-Purpose

Our multi-purpose funnels include valuable step-up features like the no-mess splash guard or flexible spout to get to hard to reach filler holes. These middle price point items are essential step-ups for most planograms.

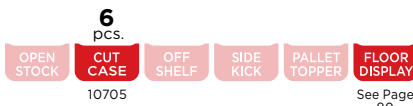

Basic

Basic funnels provide essential fluid handling benefits, usually bought by the budget-oriented consumer for small engine applications.

FLUID TRANSFER MADE EASY

A six foot siphon with squeeze bulb is the most common siphon at retail today and the FloTool Super Siphon™ moves liquids up to 44% faster and is 4x easier to operate than other similar siphons. Don't be fooled by low cost imitations that are often nearly impossible to operate and become unusable in cold temperatures. If a high quality, value priced item is what you are looking for, the Hopkins Super Siphon is it.

Our Economy Siphon™ will easily transfer liquids and is perfect for the budget oriented consumer, while our step-up Shaker Siphon™ can make short work of a large job by moving up to 3.5 gallons per minute.

FloTool's line of fluid transfer items has now expanded to include the Multi-Purpose Transfer Pump™. With the ability to easily siphon or pump any liquid and also be used as an air pump or blower, this multi-purpose tool is perfect for any set.

PORTABLE FUEL FILTERS

YOUR TOOL FOR PURE FUEL

Dirt and water are the top reasons for fuel related engine failure

DIRTY FUEL IN PURE FUEL OUT

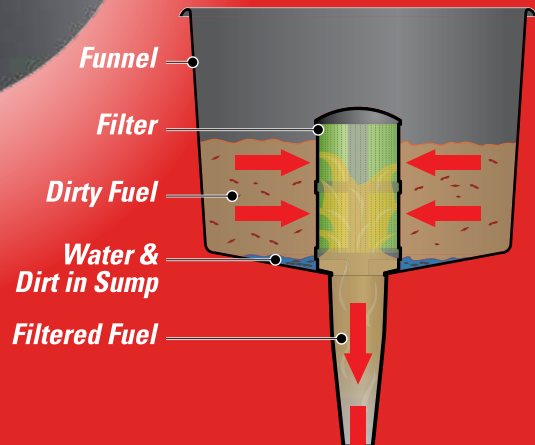

Pure Fuel Makes Any Engine Run Better And Last Longer

Dirt and water are practically unavoidable in stored fuel, causing corrosive acids, electrolysis, rust and more. These contaminants can plug filters, corrode components, decrease efficient combustion and cause engine shutdown or system failure.

You can combat these problems by refueling with a Portable Fuel Filter. Protect your engine by using this innovative product every time you transfer fuel to your tank.

Works With Gasoline, Diesel, Heating Oil and Kerosene

Unique Filter Technology

When fuel is poured through a Portable Fuel Filter, water and debris will not pass through the filter's fluoropolymer-coated stainless steel filter. Only filtered fuel flows through to your engine, improving its efficiency, durability, and proper operation. The sump area collects the deflected water and debris for proper disposal.

More Effective, Saves You Money!™

FloTool High Performance Absorbent™

FloTool High Performance Absorbent can absorb up to 8 times more liquid than traditional absorbents. The secret is how we heat-treat our wood fibers. It makes them far more effective than traditional clay and diatomaceous earth products. That's why FloTool High Performance Absorbent is the best value for the consumer. Our absorbent can be used on oil, grease, lubricant, paint, water, and other fluids and is safe to use on most surfaces including concrete, blacktop, turf, carpet, linoleum, tile, and more.

FLOOR SQUEEGEES

Keeping a floor clear of spills and slickness is essential, whether it is in the commercial or DIY setting. A high quality absorbent such as FloTool High Performance Absorbent™ will quickly stop the spread of spills and a Mallory floor squeegee will make clean-up a breeze. Choose from Commercial Grade oil resistant blades to general-purpose blades to foam blades, great on smooth surfaces.

Whatever the surface, whatever the fluid, Mallory floor squeegees get the job done right!

FLOOR SQUEEGEES

COMMERCIAL GRADE

Oil resistant

These oil resistant rubber blades have a higher tolerance to oil and other chemicals resulting in a longer blade life.

GENERAL PURPOSE

These general-purpose rubber blades work on all surfaces and with all fluids, perfect for the DIYer.

FOAM

A foam blade is ideal for smooth surfaces such as decks, patios, driveways, sidewalks and ceramic floors.

BOOSTER CABLES

SIMPLE, SAFE AND ULTRA SECURE

Whether it's your vehicle or you are being a good Samaritan, jump starting a battery is never a pleasant task. The most difficult and potentially dangerous part of the job is securely attaching the booster cable clamps to the battery posts.

Hopkins' patent pending Cinch-Lock™ Technology delivers unmatched clamping security.

- Cinch-Lock clamps provide 250% more clamping force, making a secure attachment both effortless and safe.
- To achieve a successful jump start, it's important to maximize the amps traveling through to the dead battery. Juice booster cables deliver up to 25% more amps than the competition.
- Juice booster cables include a full line of high quality cables, featuring Cinch-Lock clamps. Take advantage of an excellent opportunity to improve sales by moving customers up to a better performing product.

TIRE PRESSURE MONITORING SYSTEM SO SMART IT PAYS FOR ITSELF

EASILY INSTALLS
IN JUST MINUTES!

SAVES MONEY ON FUEL AND TIRES

It knows when your tire pressure is high or low, and even tells you when the tire temperature is hot. The right tire pressure maximizes fuel economy and tire life.

UNIQUE 4-POSITION MEMORY

Unlike other systems, nVISION lets you program different vehicles or trailers into memory. This means you can drop a trailer, or switch trailers at the touch of a button. No re-programming, no false alarms, no kidding!

SAFE TIRE CONDITIONS

- Properly inflated tires are safer, run cooler, last longer
- Helps increase fuel economy
- Increases tread life 50% or more

POOR FUEL ECONOMY ALERT

- Add air to tire at next convenient stop

DANGEROUS LOW PRESSURE ALERT

- Immediately get off road and air up tires
- 9-out-of-10 tire failures are caused by low tire pressure

HIGH PRESSURE ALERT

- Sends signal when tire is over-inflated
- Provides greater stability

HIGH TEMPERATURE ALERT

- Alerts when tires become too hot
- Hot tires increase the risk of blowout

5-LEVEL ALERT

Tire Pressure Monitoring System

FIELD REPORT:

nVISION TPMS was flawless and gave me great peace of mind and security as I logged those long hard miles. I have used this for 5000+ miles!

- Tom R. (NV)

Our unique "flip-top" monitor provides distraction free driving. With a touch of a button, the monitor opens to show you the exact tire(s) location and type of alert for that specific tire(s).

Pivoting antenna provides flexibility and owner can position for maximum signal strength. Pivots to fit into tight compartments in your RV.

Make It Any Size™

CUSTOMIZABLE DIY ORGANIZATION AND OUTDOOR FURNITURE KITS

DIY Projects Simplified

Our 2x4 Basics® brackets have been designed to make garage organization and outdoor furniture projects as simple as possible, from a heavy-duty workbench with shelves to a picnic table and matching chairs.

Only 90° cuts are required, no miters or angles, and projects can be built to any length up to eight feet. And to simplify the process even more, only 2x4 lumber is needed.

High Quality Products

Being made of heavy gauge structural resin, all 2x4 Basics brackets have a simple yet durable design allowing them to hold up to rough conditions.

Backed with a 2-year limited warranty, Hopkins continues to uphold the high standards in quality that do-it-yourselfers have come to expect and value from 2x4 Basics products.
