ACCESSORIES FOR LIFE<sup>™</sup>

NEW PRODUCT GUIDE 2021

They say that “necessity is the mother of invention”. This year, more than ever before, we’ve all found it necessary to rely on technology and our devices to keep us safe, connected, learning, working, healthy and entertained.

Inspired by user innovation from our customers, ambassadors and employees, we’ve created new products and adjusted existing products to make them even more innovative, user-friendly and useful. You may have thought of Scosche as an in-vehicle accessory specialist, only to now discover the value of our mounts, chargers, cables, adapters, and organizers for in-home and in-office, as well as for your home office and home classroom.

For those who choose to social distance by heading to the desert, trail, mountains or beach, our selection of smart dash cams, powersports accessories, heart rate monitors, bike mounts, etc. make that a safer, richer and happier experience.

Wherever you are in life, and wherever you hope to be a year from now, Scosche is there with you with Accessories for Life!

SCOSCHE Industries is the #1 Mount Brand\* and a leading innovator of award-winning consumer technology, powersports and car audio products and accessories.

## Portable Antibacterial Sanitizer

MagicFogger is a Portable Antibacterial Sanitizer, perfect for use inside vehicles, homes, offices, schools, restaurants, airplanes and more. It releases a fine mist of FDA-approved HOCl Electrolyzed Water, known as MagicFog, that immediately attaches to, attacks, and kills, germs and viruses. 100X stronger than bleach, but 100% organic, MagicFog is completely safe for humans, animals and the environment. It is safe for occupied areas, kills 99.94% of microbes and is highly effective against viruses. MagicFogger is powered by a 2600 mAh rechargeable battery.

# MAGICGRIP™

## Wireless Charging Auto-Grip Mounts for Smartphones

This wireless charging car mount senses when the charging coil in a Qi-enabled phone is perfectly aligned with the charger, and that alignment automatically activates motorized arms to gently close and hold your device securely. It charges up to 15W, and supports Apple, Samsung and Google Fast Charge. An ambient light sensing LED ring indicates charging. The MagicGrip comes in seven base options: FreeFlow Vent, Dash, Window/Dash, Double-Pivot Dash, Extendo and new Telescoping Cup Holder Mount.

\*MagicGrip was selected for Esquire 2020 Gadget Awards, winning "Best for Cars".

HANDS-FREE MOTION ACTIVATED

# FRESCHE AIR™

## Portable HEPA Air Purifier/Deodorizer

Our portable HEPA Air Purifier is designed to fit in the cup holder of your vehicle to make your drive more comfortable and healthier. Motion-activated with two fan speeds, you can plug it in and forget it as it purifies and deodorizes the air. This must-have accessory filters 99.95% of air-borne viruses, bacteria, pollen, smoke and other pollutants. Although designed for in-vehicle use, its ability to purify up to four square meters of space makes it great for cubicles or small offices too. The heavy duty aluminum body is modern and elegant enough for a luxury sedan but also rugged enough for a truck. It comes with one replaceable HEPA air filter, a dual 12W USB port car charger and a charging cable.
