AMP POWER KITS

MODEL #	DESCRIPTION
EFXAKCM8B	8AWG Motorcycle Amp kit
EFXAKCM10B	10AWG Motorcycle Amp kit
Features:
- 8/10GA Compact Weatherproof Mini-ANL fuse block
- Pre-terminated Power/Ground Cable with Braided Mesh Protective Sleeve
- 16AWG OFC Speaker Wire with Braided Mesh Protective Sleeve
- Includes Connectors, Terminals & Cable Ties

SPEAKER WIRE

| MODEL #	DESCRIPTION
EFXS5WC18-12B	5-Wire 18AWG OFC Speaker Cable 12'
EFXS5WC18-20B	5-Wire 18AWG OFC Speaker Cable 20'
EFXS5WC18-250	5-Wire 18AWG OFC Speaker Cable 250' spool

WEATHERPROOF FUSE BLOCKS

MODEL #	DESCRIPTION
EFXFB4MWP	4/8GA Weatherproof Mini-ANL Fuse Block
EFXFB8MWP	8/10GA Weatherproof Mini-ANL Fuse Block

4CH TWISTED INTERCONNECTS

MODEL #	DESCRIPTION
EFXRCT412B	4-Channel Core Twisted RCA interconnect 12'
EFXRCT417B	4-Channel Core Twisted RCA interconnect 17'

1 **Twisted Pair Construction** for increased noise rejection and enhanced sound quality.

2 **Flux-Tinned OFC Strands** for optimal signal transfer and corrosion resistance.

3 **4-Channel Diamond Pattern with Frosted Insulation** for enhanced cable flexibility and minimal cross-section.

4 **Split-Tip Center Pin and Segmented Shield** for maximum contact and connection reliability.

5 **Micro Barrel Design with Integrated Strain Relief** for convenient grip and long-term durability.

6 **Channel Indication Rings** for simple identification.

AMP **POWER KITS**

Includes:

- 17' Power Cable with 6' Braided Sleeve and Ring Terminal
- 2' Ground Cable with Ultimate Ground Terminal
- 19' Remote Turn-on Wire
- Mini-ANL Fuse Block and Fuse(s)
- Firewall Compression Grommet
- Amp Spade Terminals
- Screws, Connectors & Cable Ties

Features:

- **True American Wire Gauge Oxygen Free Copper** for high current delivery
- **Ultra-Fine Stranding and Frosted Insulation** for superior flexibility
- **Flux-Tinned** for Corrosion Resistance
- **Ultimate Ground Terminal** (Patent Pending) for best contact, reliability and fastest install
- **Compact Mini-ANL Fuse Block** for high power sound systems

°CORE AMP **INSTALLATION KITS**

Includes:

- 17' Power Cable with Ring Terminal
- 2' Ground Cable with Ultimate Ground Terminal
- 17' Remote Turn-On Wire
- 17' Core Coaxial Interconnect
- 6' Split-loom Tubing
- Mini-ANL Fuse Holder and Fuse
- Firewall Grommet
- Amp Spade Terminals
- Screws, Connectors & Cable Ties

Features:

- **True American Wire Gauge Oxygen Free Copper** for high current delivery
- **Fine Stranding with Soft-Touch Insulation** for enhanced flexibility
- **Ultimate Ground Terminal** (Patent Pending) for best contact, reliability and fastest install
- **Compact Mini-ANL Fuse Holder** for high power sound systems

RETAIL MODEL #	POLYBAG MODEL #	DESCRIPTION
EFXUGT0	EFXUGT0B10	0GA Ultimate Ground Terminal; incl. self-tapping screws, retail double blister or 10pcs, bulk polybag
EFXUGT4	EFXUGT4B25	4GA Ultimate Ground Terminal; incl. self-tapping screws, retail double blister or 25pcs, bulk polybag
EFXUGT8	EFXUGT8B25	8GA Ultimate Ground Terminal; incl. self-tapping screws, retail double blister or 25pcs, bulk polybag
	UGTY-100	10-12GA Ultimate Ground Terminal; yellow, 100pcs bulk polybag
	UGTB-100	14-16GA Ultimate Ground Terminal; blue, 100pcs bulk polybag
	UGTR-100	18-22GA Ultimate Ground Terminal; red, 100pcs bulk polybag

Fastest Install
Uses standard self-tapping screws

Most Reliable
Inherently secure interlocking design

Best Power Delivery
Enables shortest ground with maximum contact

ELITE BRAIDED MULTI-CORE INTERCONNECTS

MODEL #	DESCRIPTION
EFXRE3	3' Elite Braided Litz Multi-Core RCA Cable; mesh jacket, Rh/machined ends, retail window box
EFXRE6	6' Elite Braided Litz Multi-Core RCA Cable; mesh jacket, Rh/machined ends, retail window box
EFXRE9	9' Elite Braided Litz Multi-Core RCA Cable; mesh jacket, Rh/machined ends, retail window box
EFXRE12	12' Elite Braided Litz Multi-Core RCA Cable; mesh jacket, Rh/machined ends, retail window box
EFXRE17	17' Elite Braided Litz Multi-Core RCA Cable; mesh jacket, Rh/machined ends, retail window box
EFXRE20	20' Elite Braided Litz Multi-Core RCA Cable; mesh jacket, Rh/machined ends, retail window box
EFXRE25	25' Elite Braided Litz Multi-Core RCA Cable; mesh jacket, Rh/machined ends, retail window box
EFXRE1M2F	1M-2F Elite Braided Litz Multi-Core RCA Y-Adapter; mesh jacket, Rh/machined ends, retail window box
EFXRE1F2M	1F-2M Elite Braided Litz Multi-Core RCA Y-Adapter; mesh jacket, Rh/machined ends, retail window box

1 Multi-Gauge Litz Conductor Core
Individually insulated multiple gauge OFC conductors with optimized impedance for dynamic wide-band response, precise imaging and pure detail.

2 Braided Construction
Dual-opposing ground path design with ideal braided geometry for ultimate noise rejection and signal integrity.

3 Rhodium Plated Contacts
Provides the lowest contact resistance with superior durability for ultimate signal transfer.

4 Precision Machined Ends
Split-tip center pin, segmented shield and contoured barrel assembly for accurate alignment, maximum contact and connection stability.

EFXRR1F2M	1F-2M Reference Twisted Multi-Core Y-Adapter; single jacket, shielded, metal barrel, retail window box

1. **Double-Twisted Shielded Construction** for high noise rejection and excellent sound quality.
2. **Multi-Gauge Conductor Core** for balanced frequency response and clarity.
3. **Flux-Tinned OFC Strands** for optimal signal transfer and corrosion resistance.
4. **Single-Molded Jacket** for enhanced cable flexibility and optimized routing.
5. **Split-Tip Center Pin and Segmented Shield** for maximum contact and connection reliability.
6. **Metal Micro-Barrel Design** for enhanced precision, durability and installation in tight spaces.
7. **Molded Strain Relief** for long-term durability.
